

Optimize Success. Lead with Impact. Become a Multidimensional Leader.

RENEE SCUDDER S P E A K E R

Renee Scudder delivers value as a keynote speaker and corporate trainer as well as in workshops and seminars.

Renee is a synthesizer, and a true teacher and communicator. Her knowledge of cutting-edge leadership research, coupled with years of experience both in academia and the workplace, make her a masterful leader in this field. Renee's presentation offered me a new perspective and practical tools that serve me every day. Her program is brilliant!

– SUSAN LORD, MD, Former Executive Director,
Center for Peace Through Culture

Renee is an intelligent, energetic, and effective communicator. Her ability to listen, collaborate, and discern client goals is outstanding, particularly in how she integrates them into her facilitation and presentation sessions. Professional, personable, high standard of excellence—these are words that describe Renee.

– SANJIT SENGUPTA, PhD, Professor of Marketing, Faculty Director of Graduate Business Programs, San Francisco State University

About Renee Scudder

Renee has worked with companies that have revenue ranging from 10 million to half-a-billion dollars.

Her professional roles have included those as chief strategy officer at the Northbridge Companies, CEO of Scudder Advisors, and consultant with the Hay Group, where she worked with executives in a variety of industries, including insurance (State Farm), automotive (Toyota), and technology (IBM).

Renee combines her professional leadership experience with extensive education and training. She holds an MS in communications management from Simmons University in Boston and a certificate in strategic marketing management from Stanford University. She has been an adjunct instructor at the University of San Francisco School of Management and Dominican University of California Barowsky School of Business.

She is a professional member of the National Speakers Association (NSA), a board member of the New England Chapter of the National Speakers Association (NSA NE), and a Modern Classroom Certified Trainer (MCCT). She is accredited by the Association to Advance Collegiate Schools of Business (AACSB) International, and she is a past president of the San Francisco chapter of the National Association of Professional Women (NAPW).

With a deep love of teaching, Renee firmly believes that leadership is an attainable skill. No matter your leadership style, experience, or ability, you can increase your knowledge and enhance your impact as a high-performing, multidimensional leader. An energetic and inspirational trainer and speaker, Renee will show you how.
